AND NOW, this 30th day of November 2017, the Delaware Public Service Commission (the "Commission") determines and orders the following:

WHEREAS, this Commission has previously authorized Staff to conduct a technical rate design review conference providing opportunity for all interested parties to participate.

WHEREAS, in planning for the conference, the Executive Director reached out to all major Delaware utilities and other active parties to determine the level of interest in participation,

WHEREAS, Staff has indicated that the level of interest was quite limited and the absence of such a conference would not impair the ability of staff to address any new rate designs that might be requested by a regulated Delaware utility,
